In-Depth Investigation <i>Take photos!</i>	
Artist Name	
Artwork Title	
Medium	
Year	
List any information the exhibit gives you about the artwork.	
<i>Sketch your artwork here →</i>	
Formal Analysis - Analyze the composition using the Elements of Art (Line, Shape, Color, Value, Texture, Space, Form) and the Principles of Design (Balance, Contrast, Emphasis, Pattern, Unity, Movement, Rhythm).	
Use of Materials - Describe the use of materials. Discuss your interpretation of the artist's process.	
Personal Connections - How could you connect this to your own art-making? Do you find inspiration from the content, concept, use of materials, etc.? If you were to make a piece inspired by (not plagiarizing) this artwork, what would it look like?	
Questions & Further Research - After visiting this exhibit, which artists, artworks, processes, etc. do you want to research further?
